

## Health and Safety Policy Statement

It is the policy of ROC Electrical Limited and ROC Solutions Limited approved by its Directors, that as a Company ROC Electrical Limited and ROC Solutions Limited will strive for continual improvement and operations carried out by the Company are in accordance with the requirements of the Health and Safety at Work Act 1974, both in the spirit of the act and its legal obligations. The Company accepts its responsibilities towards its employees and any other person who may be affected by the work undertaken by the Company. The Company will ensure the work under its control is carried out in such a way as to minimise the risk to the Health and Safety of its employees and any other person who could be affected so far as is reasonably practicable.

Declan Roche has been nominated as the Director responsible for implementing this policy and his duties, and that of the other Senior Managers and all employees are detailed in the Company's Safety manual. All managers shall familiarise themselves with their duties as detailed in the Health and Safety manual, and all employees have a part to play if high standards are to be achieved and maintained.

The Company requests that all employees take a pro-active role in improving Health and Safety performance and encourages suggestions on how methods of work can be improved. The duty of employees is explained in the Company's Safety manual and at the Health and Safety induction talk on first joining the Company. This will be reinforced through general Health and Safety awareness training courses when the Company's working procedures and the contents of the Company's Health and Safety manual will be brought to the attention of the employee.

The Company will provide safe plant, equipment and tools that conform to EC, BS and other relevant standards and that safe systems of work are in place and followed. With regards to the safe handling of Substances the Company has COSHH procedures and a COSHH manual in place to ensure safe practices when handling hazardous Substances. In this way, the Company will ensure they will provide a safe place of work and a safe working environment for its employees and ensure other persons are not adversely affected by the Company's work.

These safe systems of work are underpinned by a strong commitment to training and the Company will review staff training needs on an annual basis. ROC Electrical Limited and ROC Solutions Limited will ensure a suitable budget is allowed for employee training and retraining. ROC Electrical Limited and ROC Solutions Limited are assisted by Lodge Incorporated Ltd, Health and Safety Advisers, will monitor the operation of this policy. Lodge Incorporated Ltd will be available to advise all employees on matters relating to Health and Safety.

This statement is to be displayed in a prominent position at all work locations and sites. A copy of the Company's Health and Safety manual with full details of the organisation and arrangements for implementing the policy will also be available at each work location and site, for reference by any employee.

This policy statement and the Health and Safety manual will be reviewed by ROC Electrical Limited and ROC Solutions Limited on an annual basis and updated as either legislation changes or working practices change.

Signed: 

Declan Roche Safety Director of ROC Electrical Limited and ROC Solutions Limited
